1 MALAYSIAN TAXATION – PRINCIPLES AND PRACTICE (2025, 31ST ED.)

Malaysian Taxation as its all previous editions focus primarily on the changes, updates, developments and tax compliance for that particular year. It covers extensively on individual taxation, company taxation, partnership taxation, withholding tax, tax compliance on self-assessment, return and amended return, appeals, error or mistake relief, penalties and offences. Real property gains tax (RPGT), dividend tax, sales tax and service tax are included.

The trite legal principles, examples and illustrations in relation to 2024 and prior years are not found in the 2026, 32nd Ed. It is important to have this edition to accommodate tax audit which covers at least 5 prior years, appeal to IRB and SCIT on prior years' tax return.

market price: RM230

2 ADVANCED MALAYSIAN TAXATION – PRINCIPLES AND PRACTICE (2025, 24TH ED.)

This is an essential text on the advanced aspects of income taxation in relation to stock in trade, interest expense, investment holding company, compensation receipts, LLP taxation, tax planning, restructuring of group of companies, tax audit and tax investigation. Advanced aspects of RPGT and RPC, stamp duty, Labuan are included. It has a total of 52 chapters over 640 pages.

market price: RM210

3 E-INVOICING IN COMPLEXITY – NAIL DOWN COMPLIANCE WITH CERTAINTY

The e-Invoice require to be complete, accurate and timely to submit to IRB. e-Invoice mechanism and its process require complete comprehension. This book has a total of 49 topics, covering the contentious issues with pragmatic applications. It is very important to grasp the contentious issues as it would implicate the companies on tax evasion activities or incorrect return. The directors may face prosecution of using self-billed e-Invoice to account on payment to illegal workers.

market price: RM230

4 MALAYSIAN TAXATION – PRINCIPLES AND PRACTICE (2026, 32ND ED.)

Malaysian Taxation completely overhauls the contents with new write up, new chapters and refined many examples and applications. It added up with the new chapter on judicial review. It is an authoritative tax reference that covers business, employment, investment income, business deduction, capital allowance and the various tax administration aspects.

The tax computation of companies has been added with new examples, RPGT, dividend tax, capital gains tax, sales tax and service tax has been updated to take into account of the Finance Act 2025 changes and development. It is a must have core text to every practitioner in dealing in YA 2026 tax computation.

Note: Order & payment received later than promotion date will be at normal price.
